JAMES RHOE

Experience

Consultant - The Praxeum
San Jose, CA
2018 - present
- Rebuilt outdated website to improve SEO, navigation, and performance which increased user acquisition and retention.
- Implemented creative solutions to fulfil feature requests such as user sign-ups, appointment scheduling, and blog capabilities.
- Included responsiveness, multi-platform and hosting support, enabling their website to be used by any browser or device in the world

Frontend Developer - Guardian Saga Support
San Jose, CA
2023 - present
- Transformed a completely static HTML, CSS application into an interactive user interface using animations, transitions and carousels with Next.js
- Utilized Git version control and the GitHub interface to work and thrive in a virtual environment
